## May 3 OMFC Meeting Highlights

The President called the meeting to order at 7:30 PM.

The North Field is under weekend flying hours for the rest of the flying season. The School does not have any kids in attendance right now. Flying times are Monday to Saturday, 9 AM to dusk and Sunday 11AM to dusk.

The South field is open for business and the Field manager would like to remind people to go easy on the road and parking lot if the area is wet. All pet owners please be advised that all pets entering the Southfield must be on a leash. This is to prevent property damage to members and prevent any injury to the animal. Owners are also required to clean up after the pets. The South Field is leased from "Great Gulf Homes" on an annual basis to be used "*exclusively*" for model aircraft activities. At no time during the year is this property to be used by pet owners.

Bob Zach came forward to address the membership on the Oakville Air Show coming up in June. There is still going to be a Mall display in Oakville Place Shopping Centre on June 5 and 6. If you have an airplane you can show please contact Bob. Bob still needs a computer to be used at the Mall display to allow the public to fly a simulator and a volunteer to pick up the sound system. Contact Bob if you can help with these or any other activities related to the Air Show.

Wayne McKee reminded the new students that the ground school is scheduled for May 4th and 11th. The wings program starts on May 18th at the North field.

The Annual Electric Fun Fly is being held at the North Field on May 22nd. Contact John McNicol for details.

Jim Eichenberg explained the rules for the Beauty Contest and how we would vote on the different planes. The OMFC Clothing order was handed out to the members present. If you ordered clothing and weren't at the meeting, please contact Jody McConnell to arrange pick up.

The winners of the Beauty Contest are:

John Wright, Scale
